"I would like to take a few moments to express my sincere thanks to Foreclosure International Group... I want to say to anyone who is going through such turmoil, there is a way out, from illegal foreclosure to restoring our property back into our possession... They are true to their word and work hard to maintain their credibility."

"I truly want to thank Foreclosure International Group for your great services. I was \$30,000 behind in my mortgage and in bankruptcy. I was about to be put out of my house and didn't know what to do. Fortunately, I contacted Foreclosure International Group and they helped me stop the foreclosure. I have been in my home for a year and it's been great!!! They not only helped me stay in my home, but save money on past due mortgage fees. Thank you so much. I really appreciate what you did for me!!"
